ESY SERIES

Il progetto ESY comprende tre passi distinti, tre serie denominate: ESY I, ESY II, e ESY III;

ma il processo di ricerca le accomuna per vari motivi.

Come un passo dopo l'altro il cammino di certo non si ferma con queste tre serie ma mette un buon punto fermo sulla visione contemporanea dell'estetica pittorica che da sempre mi ha affascinato.

L'idea non nasce da una decisione precisa, ma piuttosto dall'incessante "fare"; come dire "non potevo farne senza".

Spesso accade che la voglia, la passione per la pittura, prenda il sopravvento su tante parole e allora non si può far altro

che assecondare momenti intensi e il resto se proprio deve avere un'etichetta questa volta la chiameremo ESY...

The ESY project includes three separate series denominated :

ESY I, ESY II AND ESY III; but the process of search unites her for various aspects.

As a footstep after the other the walk of certain it doesn't stop him with these three series but it puts a good firm point on the contemporary vision of the aesthetics painting that for a long time has fascinated me.

Idea is not born from a precise decision, but from the incessant "to do"; as to say "I could not do without of it."

It often happens that the desire, the passion for the painting, takes the upper hand on so many words and then cannot be done

anything else other than to favor intense moments and the rest if really must have a label this time we will call ESY..
